

United States Deputy Sheriff's Association

Training Director Mike Willis

Dear Mike,

Thank you and USDSA for the generous donation of the ballistic vest and flashlights. I really needed the vest as mine is probably 15 years old and outdated. We are also always in need of good flashlights for the safety of officers working at night.

I have attached some photos of the equipment you donated and I've shown the City Council Members and the Mayor and they also thank you!!

Thanks again for your generous donation that is a huge help to our very small Police Department.

Sincerely,

Danny Long # 984

Chief of Police

Bates City, Mo.
