

BONANZA POLICE DEPARTMENT

April 2, 2019

USDSA,

On behalf of the Citizens, City Council and the Police Department of Bonanza Arkansas I would like to thank the United States Deputy Sheriff's Association for the donation of the CMI Intoxilyzer 500 Preliminary Breath Tester and mouthpieces. Our department is in a rebuilding phase after several years of being unmanned. Over the last year we have had to repair or replace almost all equipment in the department inventory. Without your help and the help of organizations like yours we would be really handicapped for the tools needed in today's law enforcement profession. The dedication of the USDSA in combating underage drinking and drunk driving through programs like this are an indispensable asset to small departments like ours.
