United States Deputy Sheriff's Association,

On behalf of the Brentwood Borough School District Police Department and community, I would like to thank you for the generous donation. The Belt Trauma Kit's will make a major difference in the preparedness of our officers and our staff in the school district. The kits will decrease the number of casualties in an attack and save lives during a day we hope never comes. The generous donation will provide each officer with a Belt Trauma Kit along with each school building main office will have one at their disposal. With the current climate we live in, we must be prepared for the worst-case scenario every day we send our kids to school, and you have just placed a small amount of ease on the minds of many. Over the next week, the officers will hold a training to ensure the staff knows how to use the tourniquet and combat gauze. We truly appreciate the work you are doing to assist our brothers and sisters in blue.

With much gratitude,

*Jeremy R. Bogdanski*
