Dear United States Deputy Sheriff's Association,

On behalf of the Coffey County Sheriff's Office, I would like to sincerely thank you for donating us the Paraclete Hoplite IIIA ballistic shield. Attached is a photograph of some of our Special Response Teams members with the shield after we utilized it during the execution of a recent High Risk Search Warrant. It gave us great peace of mind having quality ballistic protection during this operation.

Respectfully,

Deputy Tim Hamm #355
Patrol Division/Special Response Team/Criminal Interdiction Unit
