Sub: **LETTER OF APPRECIATION**

On behalf of the Coweta Police Department, I would personally like to thank the United States Deputy Sheriff's Association (USDSA) for their generous donation of twenty life-saving officer trauma kits. The trauma kits provide our Officers with a level of life saving protection that they did not have available prior to your organization's donation.

As with many small departments, available funds can be hard to find. Your organization and supporters allow small departments to equip their officers with life-saving equipment and training. Thank you again for hard work and support.

Sincerely,

Michael Bell
Chief of Police
