

On behalf of the Town of Craigsville and the Craigsville Police Department, we would like to formally thank the United States Deputy Sheriff's Association for their generous donation of an Intoxilizer 500 preliminary breath tester.

This piece of equipment has been important addition to our department to replace our previous outdated model. Since the donation we have used this equipment numerous times without the issues presented with our old model. Our department will remain forever grateful towards your agency for working with us on this project. we look forward to working with you in the future! Thank you for all you do for law enforcement agencies across the county.

Many Thanks,

Corey A. Wood
Chief of Police
Craigsville Police Department
