Re: Donation of Trauma Kits

To: USDSA

On behalf of our residents, Duryea Borough Council, Mayor and the Duryea Police Department I would like to thank you for the recent equipment donation of 15 Emergency Belt Trauma Kits for our Officers.

This equipment will allow us to be a more efficient police department as well as have the safety equipment on hand should a traumatic incident occur.

Thank you again for your generosity.

Chief Nicholas Lohman

Duryea Police Department
