Mike,

On behalf of the Eubank Police Department I want to thank the United States Deputy Sheriffs Association for the PBT and the two bullet proof vests that was donated to the Eubank Police Department. As Police Chief of Eubank Police Department we are under staffed and have very little money to operate this department. Getting help from your dedicated organization is greatly appreciated.

To give you and the United States Deputy Sheriffs Organization some info on both myself and my deputy. I've been in Law Enforcement for 31 years, I was a elected Sheriff in the State of Indiana then retired after 28 ½ years, retired from Indiana and then moved back to Eubank, Kentucky where I graduated high school. Colin Hatfield has been in Law Enforcement in the county of Pulaski, Kentucky for 12 years and held the position of Deputy, Detective, and Drug Investigator. Both Colin and myself has great pride in being still in Law Enforcement and appreciate the help that this great organization does for all of Law Enforcement. Here is a picture that shows our appreciation.
