Deputy Willis,

On behalf of the Frackville Police Department, I would like to take this opportunity to thank you and the US Deputy Sheriff's Association for the very generous donation of 15 Emergency Belt Trauma Kits that was made to our department. This donation will allow me to issue each officer in the department their own trauma kit. It is because of donations like the one your organization provided to us, which allows this department to have the equipment needed in a time of emergency or crisis.

If there is ever anything that the Frackville Police Department can do to assist you and your organization, please do not hesitate to contact us.

Thank you again.

Sincerely,

*Richard Bell*
