Wichita, KS 67216

I would like to take the time to communicate my utmost gratitude to USDSA for the openhanded and charitable act of providing the Hegins Township Police Department with much needed safety equipment. Specifically, I would like to thank Mr. Mike Willis for facilitating the delivery of these items to the police department.

It is getting harder to obtain the necessary tools for our officers to perform their duties as the Township budget falls less and less at the end of every year and equipment requests are becoming more and more disallowed. With the commitment to safety and the generosity of your organization we were able to receive critical gear that will be used daily.

The donation of six flashlights, six Officer first aid kits, and a PBT, were put into service immediately. Lights promote officer awareness, first aid kits boost officer confidence knowing that they have medical supplies on hand, and a PBT certainly helps officers enthusiastically perform preventative patrol to help curb the act of driving while intoxicated.

On behalf of all of us at the Hegins Township Police Department, thank you for your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew D. Dillman", written over a horizontal line.

Sgt. Matthew D. Dillman
