Dear Sir,

On behalf of the Heidelberg Township Police Department I would like to thank you for the five trauma kits and the Intoxilyzer PBT. This new equipment will allow us to be more effective in our work and better prepares us for emergencies.

As I am sure you are aware, it is difficult for a small Department like ours to obtain such equipment. The work that you and the USDSA are doing with Departments and Communities like ours is invaluable and appreciated more than you know.

Sincerely,
