

On behalf of Jonesville Police Department, I would like to express our sincere thanks for the donation of the Intoxilizer 500. This donation will help the Department more effectively enforce drinking and driving incidents in the small town we live in. Due to budget restraints, equipment like this is not always easy to come by. It will be put to use on patrol as one of the more valuable tools for enforcing traffic safety. Again, we want to express how much we appreciate USDSA for their kindness.

Thank You!  
Sgt. Chris Lewis
