RE: Active Shooter Response/Tactical Entry Training

Dear Mike:

On behalf of the Lawrence County Sheriff's Office, I would like to personally thank you and Dave Hinner again for the excellent training opportunity you provided to my officers on August 29, 2015. This is the second time you both have come to our location and trained my staff. The training was very informative and the skills the Deputies learned will be extremely useful in future situations.

We look forward to the next time we are able to train with you both.

Sincerely,
