To Whom It May Concern,

We would like to take this time to personally thank Mike Willis and David Hinnars with the United States Deputy Sheriff's Association for providing the Limestone County Sheriff's Office with free training and equipment. Their instructions and knowledge of the Instinctive Hand-to-Hand Combat Course was outstanding and their overall course was presented with the upmost professionalism.

They provided great insight and knowledge of life saving skills and survival mindsets that our deputies will remember thought their careers. In today's law enforcement world, officer survival and safety training is at an all-time high.

We also want to acknowledge Combat Sports International for their sponsorship and working with the United States Deputy Sheriff's Association and providing small underfunded agencies with the needed equipment to continue the lifesaving training Mike and David provided for our sheriff's office employees. We look forward to having Mike and David return again for future training from the United States Deputy Sheriff's Association. We also would encourage other law enforcement agencies interested in taking advantage of this free and great training to contact your United States Deputy Sheriff's Association. Thank you again for providing this outstanding training for my deputies.

Professionally,

A handwritten signature in blue ink that reads "Dennis D. Wilson".
