Dear Sirs:

I want to take a moment to thank you for creating an opportunity for the Newton Police Department to receive valuable, updated Active Shooter training through your support of Blueline Survival.

I was very pleased to expose our officers to fresh techniques and tactics from two very insightful trainers: Mr. Mike Willis and Mr. David Hinners. Their professionalism and conviction were very evident in their interaction with our officers, who expressed really having enjoyed the training we received. I hope we never have to put this training to use, but if we do, we will be better prepared.

I had the honor of serving alongside Mike as a "SWATling" with the Harvey County E.R.T. twenty years ago. Knowing Mike as one of the best SWAT Pointmen I've ever met and being aware of his no nonsense training approach, I was delighted to have the opportunity to interact with him again. For all of this, thank you!

Sincerely,

Nef Torres
