To: United States Deputy Sheriff's Association

RE: Belt Trauma Kits

The Okanogan County Sheriff's Office would like to extend our gratitude to the United States Deputy Sheriff's Association. We received enough Belt Trauma kits to equip each of our deputies with one for their personal use should the event arise. Okanogan County Deputies are assigned to work areas covering nearly 1700 square miles and can respond to serious calls for service without immediate backup available to them. Having the Belt Trauma kit available to them will allow them to provide themselves with initial first aid should the need arise for them to treat an injury. Although we hope to never need to use them, we are appreciative for the USDSA's generosity in providing OCSO deputies with this potentially life saving equipment.

Sincerely,

Sgt. Tony Hawley
