Dear Mike. Thank you very much for the training gear you sent us. As you know, budgets keep getting smaller and smaller but the cost of training, equipment and other essentials keep rising. This donation will help our small department continue to train in the important art of self defense, without breaking our budget. Thank you again. The U.S. Deputy Sheriff's Association is truly a blessing.

Terry Hollingsworth

A handwritten signature in black ink, appearing to read "Terry Hollingsworth", written over the printed name.

Chief of Police
