Police Department

David and Mike-

On behalf of the officers of the Russell Police Department, we would like to extend our sincere gratitude for the High Risk Traffic Stop training the United States Deputy Sheriff's Association provided us on March 27th and 28th, 2018.

We would also like to thank you for the donation of two Intoxilyzer 500 preliminary breath testers (PBTs) and eight emergency belt trauma kits to our department. These items will greatly enhance our abilities to combat drunk driving in our community as well as provide emergency first aid if the event arises.
