Dear USDSA,

On behalf of the Scurry County Sheriff's Office, I would like to thank you for your donation of 10 BTK Combat Gauze belt kits. Officer safety is of the utmost importance and having the ability to address a medical concern in the field is vital. Not only will these kits allow medical treatment for Deputies but citizens as well. Most of the life saving or "Stop the Bleed" equipment is carried in the patrol unit. These kits will now be carried on the Deputy so aid can be rendered more efficiently and effectively.

Thank you once again.

Sincerely,
