Re: Emergency Trauma Belt Kits

---

Please accept this letter as a token of our appreciation for the support of the USDSA. As you know, smaller departments often suffer from limited resources and cannot provide every tool officers may need. Sometimes officers even purchase their own supplies. This donation of 20 emergency belt trauma kits will provide our officers a valuable tool that was not otherwise available to them.

Thank you again for your support. It is greatly appreciated and I assure you we will put these directly into the hands of those who need them most.

Should you have any questions, please do not hesitate to contact me.
