

Mr. Willis and Mr. Hinnars,

Sheriff Hawthorne and I wish to thank you for your kind words and expression of law enforcement support. We also appreciate the generation donation of tourniquets and combat gauze packets included with the Thank You cards. It is nice to know in these trying times that such a large support group exists. While none of us do this job for recognition, it is nice to hear from time to time that there are numerous supporters out there. Thank you again for the support and encouragement.

Best Wishes,

John
