David Hinnners, Executive Director
United States Deputy Sheriff's Association
2909 S. Spruce
Wichita, KS 67216

Dear Mr. Hinnners:

We have received the Association's very generous check in the amount of \$1,000 for the widow of our Lieutenant Clint Ventra who recently suffered a duty-related death. The check has been given to her and was clearly much appreciated. As I am sure you are aware, all kinds of incidentals arise before state or federal death benefits can kick in and that is the time when kind help such as yours is so very welcome.

I hope you will permit this correspondence to serve as a receipt for your kind gift.

Please let me know when I or the Corinth Police Department may be of assistance to your compassionate organization. May all your members be safe and well.

Sincerely,

A handwritten signature in blue ink that reads "Jerry Garner". The signature is fluid and cursive, with a long horizontal stroke at the end.
