Mike & Sierra,

On behalf of the 31 police officers and Chief of Police we would like to thank the U. S. Deputy Sheriff's Association for the gracious donation to the Aberdeen Police Department. The Strike and Kick pads along with the gloves will help our officers training in Defensive Tactics in the coming years. The FLIR Scout will be greatly appreciated as we see this being used to search for missing elderly people in the community. The Aberdeen Police appreciates the donation and the work you all are doing to help local agencies receive equipment that is needed.

Respectfully,

Craig Armstrong

Deputy Chief

Aberdeen Police Department
