

Mike Willis
U.S. Deputy Sheriff Association
National Training Director

Dear Mike,

A BIG Thank you for providing the FREE Trauma Kits for each one of our deputies! We conducted a training and distribution for our deputies, so each one is now equipped with the Z-Medica TRAUMA KIT.

Attached, please find a picture of our team with their kits. We conducted a training for the use of the items contained in the kit.

Thanks again for providing such an important piece of equipment, that can save lives..possibly our own.
