To Whom it May Concern:

The Adamsville Police Department would like to thank you, and everyone associated with the United States Deputy Sheriff's Association, for the organization's recent donation of Spike Devil Spike Strips, TacMed Trauma Kits, and a CMI Intoxilyzer 800. As you are well aware, small town police departments are tremendously underfunded in this country, and without groups like the USDSA and their support, most departments would struggle to have the bare necessities. These items donated to the APD allow our officers to remain safe while also better equipping them to enforce the laws of the State of Tennessee to protect our community and its citizens. We cannot express to your organization how much we greatly, and genuinely, appreciate your donation, your help, and your support of the Adamsville Police Department!

Sincerely,
