ALAN F. PELTON  
DEPUTY DIRECTOR

United States Deputy Sheriff's Association

On behalf of the Adult Probation Department of Allegheny County, Pennsylvania, I would like to thank the United States Deputy Sheriff's Association and their National Training Director, Mike Willis for the generous donation of ten individual trauma kits for our Firearms Instructors. Along with our first aid training, these kits will allow our officers to instantly respond to any training emergencies or gunshot trauma that may be experienced within the course of our duties.

We truly appreciate the role your group has embraced in bridging the gap between needed tools to accomplish our often dangerous mission and budget shortfalls. Your motto of "Taking training to the next level, because lives are on the line." definitely hits home with our department since one of our officers was recently wounded. Again, Thanks to the USDSA for all that you do.

Sincerely,  
Mike Bowie  
Master Firearms Instructor  
Allegheny County Adult Probation.
