RE: United States Deputy Sheriff's Association Donation

Greeting,

My name is Leo Lovely and I am the Marshal for the Alma Police Department in the State of Kansas. We have recently received a very generous donation of an CMI Intoxilyzer 800, package of replacement testing tubes, a Nightstick flashlight, and a vehicle first aid kit. These items will greatly assist us in combating drunk driving and underage drinking as well as keeping our citizens and officers safe.

On behalf of the Alma Police Department and the City of Alma, we want to extend our sincere gratitude to the staff at the United States Deputy Sheriff's Association. Without your programs and assistance, we would not have these invaluable resources. I have also personally attended a couple of your training programs and I can say that the instructors were very professional, supportive, and knowledgeable in their fields.

Thank you all for what you have done and continue to do for our communities.

Respectfully,

A handwritten signature in cursive script that reads "Leo Lovely".
