

Mike & Sierra,

The City of Alma, Alma Police Department and myself are ecstatic of the Gifts of Life bestowed upon us from UNITED STATES DEPUTY SHERIFFS ASSOCIATION. Our vehicles are equipped with first aid kits, and I now wear a Point Blank ballistic vest (made for me) due to your generosity.

Prior to this I wore a ballistic vest that is rated a class II that was ordered for someone before me. I personally purchased a first aid kit to carry in my vehicle. So, YES you made a difference for us.

Thanks from all of us!
