ATTN: Mr. Mike Willis

Dear Mr. Willis,

The Apache Police Department, located in Apache Oklahoma, recently received your donated items consisting of 4 Individual Officer Trauma Kits, 4 Unit medical Kits, 1 set of Devil Spike Strips, 1 CMI PBT Model 800 and the bag of straws for this testing device. These items have been assigned and are currently being used by our Officers.

We cannot thank you and your organization enough for the items that you have graciously decided to donate to us. I am fully aware that you receive numerous requests for assistance from both Police and Sheriff's Departments from across the United States. Given the amount of requests for assistance that you receive, I feel that we are extremely fortunate to have you donate your limited supplies with our Department.

As you are aware, with the recent efforts to defund Police Departments across this nation, these efforts have truly affected all of us in regards to the amount of resources and equipment that we have access to. Items such as the ones that your organization donated, are literally the only way we are able to procure the much needed equipment that is needed to keep both our Officers and members of the Community safe. Since we are a small agency and our funding is already limited it is because of people like you and the United States Deputy Sheriff's Association that enable us to continue to provide a service to our Community Members on a daily basis in the most effective and safest manner as possible.

Again, I cannot thank you enough for the donation of the much needed items at a time when these items were truly needed. Thank you and please convey our deepest gratitude to all of those who made the receipt of these items.

I have enclosed a picture for you to share with your co-workers. Thank you.
