Please accept my heartfelt appreciation on behalf of the Barbour County Sheriff Office for your generous donation. Your contribution of the four CMI Model 500 PBT's and two bags of replacement straws are a welcome addition to the department. It has been my mission from the start to provide the Deputies working for me with the equipment needed to ensure they provide professionalism, excellence, and trust to the citizens of Barbour County. It is organizations like yours that ensure Law Enforcement has the equipment needed to provide the highest level of public safety. Safeguarding our citizens' lives, property, and constitutional rights is the highest priority of the Barbour County Sheriff Office.

Sincerely,

A handwritten signature in black ink that reads "Tyrone Smith".
