

To the United States Deputy Sheriff's Association: Thank you very much for the generous grant of \$5000. to the Bartlett Police Dept. We will use the funds to upgrade and improve a vehicle communication system that has been an officer safety issue for some time. Once that is done we will send you a letter and some photos of the new equipment. Thank you again for helping our officers stay safe!

Respectfully,

Chief Christopher Keaton  
Bartlett Police Dept.
