

The Bartlett Police Department extends its thanks to the United States Deputy Sheriff's Association for your extremely generous donation of \$5,000.00. We used those funds for the purchase of a new Motorola APX 8500 mobile radio, to replace a defective radio in our Car 1. This replacement let us put Car 1 back on the road. We are very grateful for the financial assistance that the USDSA gave to us, which enabled us to return this important unit back into service. Thank you very much for your support. We sincerely appreciate it.

Best Regards,

Chief Christopher Keaton and all members of the Bartlett Police Department.
