Re: Donations

Dear Mr. Willis and Mr. Hanners,

We receive the box you sent us full of thank you notes, tourniquets, and combat gauze the other day. I wanted to send this note along thanking you for this donation. It was just enough to supply our patrol officers with valuable first aid in case of a traumatic injury. We greatly appreciate it! Please keep up the good work and outreach amongst all LEO's in the country. It means a lot that we have support and can support each other.

Thank you!
