

Having retired from a much larger sheriff's office than Berrien County, I can't tell you how much all of us appreciate the high-quality training you provided to our Sheriff's office yesterday.

Sorry I missed you and your personnel, the Sheriff and everyone, and I mean everyone, was very impressed with your program and the training you bring to smaller department that obviously have budget restraints.

Your association helps to fill the gap in both equipment and training for these small rural law enforcement agencies.

Florida has 67 counties and Georgia has 159, some only have a Sheriff and one or two deputies unlike the department I retired from with over 1300.

Mr. Mike, again I can't thank you enough for the equipment and training that your association has provided and look forward to setting up another training program with you at a later date.

May God bless you and yours in all your endeavors.

Thanks,  
Glenn Bundy
