On behalf of the Bethune Police Department, I Chief Josh Ward would like to thank the United States Deputy Sheriff's Association and Venders who participated in this assistance program. Without your help Officers within this agency would not have the protective and life saving equipment provided by your generosity. I cannot express our gratitude and commentment you have made to this agency and every other agency that has been provided this equipment. You have made our community and our Officers safer. This program has kept with our core values of providing safer and more effective service to our community. We reconized the cost and determination it has taken for this equipment to be sent to us and everyone involved should hold their head up with pride knowing they have went above and beyond the call of duty to support so many agencies.
