Dear Director Hidders:

On behalf of the Bibb County Sheriff's Office, I want to express my sincere gratitude for the condolence letter and monetary donation for the family of Sergeant William Gay, whose End of Watch was October 14, 2021.

I'm reminded daily that being a law enforcement officer is not just a job; we are all family. Williams's death reminds us of the perils of our profession, but also, of the dedication and heroism of those who serve, some of whom make the ultimate sacrifice.

We will give your letter and the check to the family; I am sure they will find it very meaningful that you thought of them in such a nice way.

Sincerely,

A handwritten signature in black ink that reads 'David J. Davis'.

David J. Davis
Sheriff, Bibb County
