

United States Deputy Sheriff's Association,  
Thank you for your generous donation of  
9 Emergency Trauma Kits and 3 Model 500 PBT's  
with replacement Straws.  
Don't let the photo fool you, we are a small department  
that serves a community of 2,000 Pop.

We greatly appreciate your donations as it gets  
expensive to operate a small department.

Thank you!
