

Please allow me to thank you and your organization for the generous donation to the Bloomsburg University Police Department. As a small university police department, some of the most needed items are well beyond our very stretched and limited budgets. Your donation of 4 Ballistic Helmets to our department will allow us to be prepared in the event that an unforeseen active shooter event should occur on our campus.

We are extremely grateful for this donation and look forward to be a continued partner between the Bloomsburg University Police Department and the United States Deputy Sheriff's Association.

Again, on behalf of Bloomsburg University, we thank you so very much for this life saving donation to our department.

Sincerely,

A handwritten signature in black ink that reads "Ramon G. Welkom".

Ramon Welkom,

Chief of Police
