Mr. Mike Willis
United states Deputy Sheriff's Association

Dear Mr. Willis:

On behalf of the Bokchito Police Department we would like to extend our appreciation and gratitude to your organization. We are a small rural department, that responds to numerous medical calls, as the closest Emergency Services are 20-30 minutes away. With the items that you equipted our department with, we at times are first on scene and we can utilize these items to possibly save a life, or a fellow officer's. The tourniquets, holsters and the PBT will be greatly utilized at our department and we greatly appreciation it.

We are beyond appreciative of the generous donation from your organization and want to thank for everything that you do.

Sincerely

Timothy Steely
Assistant Chief of Police
