To USDSA Staff,

On behalf of The City of Braswell Police Department, I would personally like to thank you for your generous donations of our tactical flashlights. We do not take any of this for granite, because it's something your association did not have to do for us.

We will always be reminded of the sacrifice, hard work and dedication the men and women of your organization performs for many departments within the law enforcement family.

Because of your support, we will be able to continue performing our duties for the citizens of Braswell as a result of your generosity.

Thank you again for your support!

Sincerely,

Chief Joseph Jefferson
