Greetings Director Mike Willis,

On behalf of the Breckenridge Police Department in Breckenridge, Texas, I want to personally thank you and the United States Deputy Sheriff's Association for the donation of the Spike Devil Spike Strips. Being a small agency with a not so very large budget these are the sorts of pieces of equipment we have had to forgo in order to purchase more necessary items. These strips will be essential in helping to safeguard the citizens of Breckenridge, TX. Please accept this letter as my official acceptance and thankfulness of the donations.

Respectfully submitted,  
Justin Shockley #144
