From: Corporal S. S. Siranovic

In the late fall of 2021, Brooke County Sheriff's Deputies responded to a rural area in Brooke County West Virginia to assist with a farming accident. When Deputies arrived, a gentleman was sitting in a piece of heavy equipment. During the incident, it was determined that the male's leg was nearly severed. Deputies were able to stop the severe bleeding by applying a tourniquet that was provided by the USDSA.

The Brooke County Sheriff's Office would like to extend our sincere appreciation to the United States Deputy Sheriff's Association, with the items that were donated Deputies were able to tend to the man long enough for members of the Brooke County Emergency Medical Service, Franklin Community Volunteer Fire Department, and Healthnet medevac to arrive.

It is our pleasure to announce that the gentleman recovered from his injuries and is well on the way to recovery.

Thank you,

Corporal S. S. Siranovic
