

I would like to extend my gratitude to the USDSA (United States Deputy Sheriff's Association) for your continued support of law enforcement across the United States. This week we received 5 Point Blank bullet proof vests from USDSA at no cost to the Sheriff's Office. Retail value would be somewhere close to \$4,000. I am very thankful and appreciative that USDSA recognizes the financial hardships that some law enforcement agencies face and make this potential lifesaving equipment available to us at no cost. We recently had a 1 day multi law enforcement agency training provided from USDSA in Brown County. Agencies attending was the Brown County Sheriff's Office, Hiawatha and Horton PD as well as Sac and Fox, Kickapoo and Iowa Tribal PD's as well as the Kansas Highway Patrol. The training was top notch and presented in a very detailed manner. This was also provided at no costs to those agencies involved.

Thank you again USDSA!
