“Proud to serve our Community”

To whom it concerns,

I am writing on behalf of the Bull Shoals Police Department, Bull Shoals Arkansas. My Department and I would like to thank you for the donation of four active shooter vest and training gear. Your donation helps ensure the safety of the officers on the street by providing them with the equipment they need to protect them as well as the equipment needed to continuously train to improve their safety.

The USDA’s dedication to keeping officers safe during their duties is greatly appreciated. This not only helps with safety but also helps with morale knowing they have the equipment needed to do their job and make it home to their families.

Small agencies struggle with budgets that help buy good equipment to provide each officer. Your organization helps with this and for that I thank you! We appreciate what you do for the law enforcement community.

With best regards,
