Burgettstown, PA 15021

U.S. Deputy Sheriff's Association,

On behalf of the staff, students and residents of the Burgettstown Area School District, we thank you, the U.S. Deputy Sheriff's Association, for the donation of a Ballistic Vest and a Tactical Flashlight. The equipment was much needed and was put to immediate use by our department. In addition, it saved the School District money, which can now be used toward staffing and training for the Police Department.

I have attached a picture of the equipment, now embroidered with our Department patch!

Sincerely,

Darren Fisher

Chief of Burgettstown Area School Police
