**On Behalf of the Burlingame Police Department, the Burlingame City Council, and the people of this community I would like to thank the United States Deputy Sheriff's Association with their generous donation of a ballistic vest to the Police Department. Officer safety equipment is often underappreciated, and the expense of specific equipment is often outside the reach of small agencies. Providing this vest will aid in the protection and effectiveness of Police activities across the board. I am unmeasurably thankful for what you do.**
