

Dear Mr. Mike Willis,

I would like to let you know that we received the 14 Emergency Belt Trauma Kits and sincerely thank you for hearing our needs. For a small department with a limited budget, being able to equip all the deputies in the patrol division with these kits is a big deal to us and is so appreciated.

I was so grateful to have heard from you by telephone on the very same day that I emailed the United States Deputy Sheriff's Association. Hopefully, the deputies will never need to use the Trauma Kits but realistically, I know that they will. Your generous donation helped us properly equip our deputies with life saving tools.

The deputies of the Calhoun County Sheriff's Office would like to send their sincerest thank you to everyone who assisted in making this donation possible. The support that you showed our department will not be forgotten. If and when the trauma kits are used, I will pass the news on to you and the United States Deputy Sheriff's Association.

I have added a picture of the first three deputies to be issued the Emergency Belt Trauma Kit.

Thank You,  
Lt. David Martin – Patrol Division
