United States Deputy Sheriff's Association,

On behalf of our department, we would like to thank you for your assistance in providing our officer's with Trauma Response Kits and NARK II Drug Kit's. Any assistance provided to our department is greatly appreciated. The Trauma Response Kits will assist us in saving the lives of not only the officers, but the community that we serve and protect. The drug test kits will aid our officers in being able to confirm the type of narcotics encountered in our rural area. Once again, thank you for the contribution provided to us.

Respectfully,
