To the United States Deputy Sheriff's Association,

I would like to express my sincere gratitude to you and your staff for the donation of the FLIR equipment and the drug test kits.

We are a small-town agency made up of 6 full-time officers. As you can imagine budgets are always tight and we often don't have enough money left over to be able to afford items like these. Thanks to your generosity the citizens of Canaan are a little safer and the officers have another tool to make their jobs a little easier.

Once again, thank you for your donation and look forward to a continued relationship with the USDSA.

Best Regards,
