Dear Mike,

On behalf on Caney Police Department in Caney, Montgomery County, Kansas, I personally would like to thank you and the U.S. Deputy Sheriff's Association for the donation of 6 Trauma Packs for all our Officers and the FLIR gun that will assist our department to fight the war on drugs in our great community.

I have and will continue to spread the word on the great work your Association does to help many smaller departments gain not only needed equipment but allows us to direct our resources to better protect our great Kansas community!

Again, on behalf of our Chief Kevin Kitterman, our Officers, and our community, Thank you!

Ike Dye
Assistant Chief of Police
